Interior Designer, Arhitect

About me

I have always been fascinated by the art and science of creating spaces that not only serve functional purposes but also inspire people. Also, I believe that architecture has the power to shape society and enrich people's lives, and I am excited to be part of that transformative process.

Work experience

Дизайнер Интерьера · TO Design and Construct
August 2022 - Present · 2 years 7 months

Communication with customers. Managing the design of the project, from the idea to their design and delivery to the client. Creation of video and 3D visualization of interiors and exteriors. Development of all technical drawings. Conducting business meetings and official correspondence in Moldovan, Russian, Turkish and English. Following up local project approval processes. Compliance with work deadlines.
